

2021

Even with medical insurance, ambulance rides are rarely covered in full. Medicare and private insurance companies only pay part of the cost of an ambulance ride. With a Dufur Membership, you don't need to you will receive the same benefits in 50 other regions throughout Oregon.

Your \$45 stays in Dufur. All funds received go toward training and equipment for the local service. This helps us provide quality pre-hospital care and transportation.

Your membership provides coverage for your immediate family: spouse and children under 21 living in the member's residence. Non-family members and children over 21 living in the residence are considered separate families and require separate memberships. Memberships are for 1 year-January thru December. Rates are pro-rated if you do not have a membership and would like one. Support your local ambulance as if your life depended on it. (This membership does NOT include LifeFlight)

Return this application along with the membership cost of \$45 (check or cash) to:
 Dufur Volunteer Fire & Ambulance
 PO Box 145
 Dufur, OR 97021

Or, you may drop them off at Dufur City Hall.
Please make Checks payable to Dufur Volunteer Ambulance

Please Return Bottom Section with Payment
